

Wynnedale Town Council Meeting

Minutes for February 15, 2017 present on March 8, 2017

**In attendance:** Council members –Vimal Metha, John Kincaid, Judy Hall, Janet Gibson, Mary Beth Schneider, and Jarnell Burks-Craig Guest: Walter Smith and Sue Rice

**Meeting was called** to order at 7:00pm by the president

**Minutes of the January-** It was moved by Mary Beth and second by John for the minutes to be approved with correction.

**Treasurer's report**—the final accounting for 2016 was provided to the council. Ending balance for the checking was 3,560.00 and MM \$77,376.56.

**Unfinished Business:**

**Streetlights**---John reported on the streetlight in writing – update on the Roland Road Street light at Celestine DeTrana's house. The light has been dark for about 2 months. Craig Rice & I determined the wiring in the top part of the light was not working. He and I have been able to disassemble the top part and should be able to get it rewired and repainted. This will take a month or two. The work will be done by one of the Indy racing shops that did the lights at Knollton & Wynnedale/Wilshire 20+ years ago. That work has held up very well. The cost should be about \$500-600. A new pole and head would be about \$1200. I will keep you posted as the project comes along. We were able to wire in a substitute bulb on the pole so there is light in that corner even though the presentation is not very elegant. John Kincaid.

**Stop sign**—the sign had been replaced at Wishire/Knollton.

Bill for CMT—Jarnell will get clarification.

**Sue Rice**—the town historian gave an overview of her research of the town which was quite extensive

**Parking Ordinance** – Mary Beth will check with the Zoning Broad about a residential parking ordinance. Our Neighborhood Liaison from the City—Mark Carter is no longer with the City—Judy will follow-up about his replacement.

**Sinkhole on Paula Lane**—the sink is scheduled to be completed by end of the work day February 24, 2017.

The meeting was adjourned at 8:12pm

Next meeting is March 8, 2017 at 7pm at 4346 Hidden Orchard Lane
